

## Homebuilding and Renovating – 10,171 records

Around 20,000 houses are built by individuals each year, the majority of which are middle to upper market homes especially designed for relatively affluent people who are looking for something unique. Homebuilding & Renovating magazine deals with all aspects of creating or renovating a home from raising the finance, through the design process and the selection of building materials, to choosing kitchens, bathrooms, flooring, lighting, decorating and home furnishings and landscaping and gardening materials. Homebuilding & Renovating delivers the active home interest readership with an unrivalled stream of quality sales enquiries from an audience that is likely to be spending £120k+ on building their home.
